Grand Knight's Report

Julio Alvarez, Jr
Julio Alvarez 662-1845
jalvarez8@tampabay.rr.com

To my Brother Knights and your Families:

As another busy month passes by, I once again thank each and every one of you and your families for your participation in the KofC events that have contributed to our Parish and Community. Noteworthy this past month were the wake and funeral for our departed Brother and Sir Knight John Joyce, our hosting of the District 35 Meeting, completion and submission of our Annual Fraternal Survey, Bell Shoals Road Cleanup, 1st Degree Exemplification at Mother Seton Council, our well-attended Second Degree Exemplification at St Stephen School, completion of our Semi-Annual Audit, work done at Jennifer Bergen's home, assistance with the Church cleanup day, our short-notice change Family Pot Luck Social, the annual Basketball Free Throw competition and awards ceremony and the herculean final fundraising effort at Raymond James Stadium at Superbowl XLIII. All these events were accomplished

with the infectious enthusiasm and dedication for which you have all become well known. I thank each and every participant!

Knight's Super Bowl Team

I want to take this time to once again invite all you brothers who've been 'away' to take the opportunity during the next few months to come and 'check us out'. We pray for all of you and want you to be a part of our exciting council. Each member and his family contribute immensely to who we are and what we are able to achieve, so I extend my hand to you and ask that you put aside any 'fear' of participating in the life of our Council. We really do miss you and I think when you do come you will feel that same welcoming spirit that moved you to join our Order and this awesome council.

Let me briefly highlight some very important events requiring assistance from as many brothers and families as possible. I do, however, want to encourage you to habitually check our

calendar of events which is posted on our website at www.kofc14084.org and updated regularly. As the Season of Lent approaches, we have opted to take a very close look at our Calendar and focus on a few important events, spiritual and social; however, also focusing on maintaining a balance that ensures you spend quality time with your family and concentrate on faith formation. I realize my outlining this schedule may be somewhat redundant; however, I want to highlight some key events we have planned for the next few months that I request you try to attend:

My Brothers,

As Knights of Columbus, we know that our first obligation is to be holy men of God. In today's world, this is no small feat as we combat the pressures of our society to conform and try to balance our needs with those of our family, work, church, and community. The Season of Lent is intended by the Church to be a help to us on our spiritual journey. It reminds us to put first things first and to engage in some "Spring Training." In fact, the word "Lent" has its roots in the old German word for "Spring". As Christian fathers, we realize that we are also called to be the "team captains" of our families and do what we can to foster the spiritual growth of each member of the family.

So how can we do this? The Church encourages us to return to the basics. The fundamentals of a Christian life are pretty clear - to follow Christ. Thankfully, Jesus left us an instruction manual, called the Bible. This Lent, why not read a little from the Bible each and every day? Since this is the year of St. Mark, begin with his Gospel. It is only 16 chapters long. Before you read it, ask for the gift of the Holy Spirit. Read a short passage and then ask the Lord to help you to understand how you can incorporate this truth into your life. Remember, each word of the Bible is important and all of it is intended to help you to grow in God's grace. You may want to read the passage together as a family over breakfast and during the evening meal share how that passage touched our life throughout the day. In addition to daily prayer and meditation on the Sacred Scriptures, you may also want to make a commitment to participate in Mass each day and to go to confession on a monthly basis.

In addition to prayer, another help is fasting. Christian fasting is not dieting nor is it a means of self-discovery as it is in other religions. The objective is to discover God through self-discipline. We unite ourselves to Christ who fasted for 40 days and nights, entering solidarity with the poor, and develop a sense of self-control. By dying to self, we come to live more fully in Christ. In an age of unbridled self-gratification and self-medication, fasting enables us to shift our attention from meeting our own wants to meeting the needs of others. It is a way of emptying ourselves so that there is more room for God. In addition to abstaining from meat on Fridays, we may really want to fast - limiting ourselves to the equivalent of one meal. Perhaps it would be more helpful for us to fast from foul language, alcohol, tobacco, pornography, television, workaholicism, perfectionism, impatience ... you get the idea. Fasting may also involve choosing to do something positive - keeping Sunday the Sabbath day for quality time with God and your family, regular family meals, or volunteering to help with your child's extracurricular activities. Just think of how this type of fasting would renew your life?

Finally, Lent is a time to reach out to those in need - almsgiving. As prayer pertains to our relationship with God and fasting pertains to the need to balance our needs and wants, almsgiving pertains to the virtue of charity or care for others. There are many opportunities to serve through our Council. Be involved. We are blessed with hundreds of members in our Council, yet the same few seem to be active in most of our charitable activities. Why not make a commitment to participate in at least one event during the next 40 days of Lent? You'll be glad you did!

Lent is basic training 101. Now is the time to take a step back and to look at ourselves and ask: How can I become a better Christian man? Prayer, fasting, and almsgiving are tried and true means of growing in holiness. May this Lent be a Spring time for you and your family.

In His Peace,

Fr. Bill Swengros
Chaplain

Fraternal Agent 's Report

Brothers,

Once again the Knights of Columbus Insurance Programs have reached a new level of success in 2008 with more than \$70 Billion of coverage now in place on our members and their families. In a year when many commercial insurers have struggled, our Fraternal Benefits have continued to grow. We remain one of only five Major Insurers with Standard and Poors AAA rating, A.M.Best A++, and the IMSA seal. We remain focused on Fr. McGivney's vision of protection of our families. Our annuities have seen unprecedented growth as the equity markets have faltered.

I have now handled 136 Death Claims as an agent. Oh the lessons I have learned about Estate Liquidation in that process. Most executors have little or no guidance, don't have an inventory of assets and are overwhelmed with trying to organize the necessary information.

Make it easier for your executor, or if you are to be the executor of someone else's estate, act now.

Prepare an Important Information for Survivors and Beneficiaries document listing information about assets, key contacts, location of important papers.

If you want a free brochure that the Knights of Columbus have prepared for just this purpose, call or email me for a copy.

Fraternally,

Tom

Youth Activities

Brothers,

January was an incredible month. To start off this month the squires had one of the best meetings yet. We rotate the directors every 6 months to give everyone a chance to learn as much as possible. Here is the list of our new directors:

Tom Berrie	Circle Director
Christian Taliento	Service Director
Ian White	Spiritual Director
Christian Mowery	Membership Director

We are looking forward to a lot of great things from these boys and so far they are not disappointing us. As you all have heard we already have a Circle event planned, the Bonfire on February 28th at 6PM. In addition our Spiritual Director, Ian, has already started to plan our Spiritual Retreat. As if all of that wasn't incredible enough, we also had our very first Investiture ceremony! The Investiture ceremony is how the boys become squires, similar to our First Degree Ceremony. In this ceremony we brought in 3 new boys. This is a really GREAT start to 2009

and we are very impressed by the boys.

I also have some more incredible news from our Youth committee. This month we were able to put together a very, very good Basketball Free Throw Competition. We started out the day during recess at St. Stephen School where we had 36 contestants and finished up with 4 more contestants from the Religious education kids that evening. It was an incredible day that started with a rush of kids ready to shoot some hoops. We had some REAL competitors, which gave us 4 shoot outs, including one shoot out between two of our squires, Ian White and Todd Jackson. The District Free

Throw Competition is on February 14th at 10AM at St. Clement church. So, as soon as you are done supporting our newest members going through their first degree jump in your car and head on over to St. Clement to support the competitors from our Council.

"Campaign for People with Intellectual Disabilities"

One of the most popular and successful programs conducted by Knights of Columbus state and local councils for the benefit of people with intellectual disabilities is the fund-raiser in which councils collect donations outside stores and on street corners. In appreciation, the donor is offered a candy bar, a Tootsie Roll. The high visibility of this program has led to the campaign being referred to as the "Tootsie Roll Drive."

Our "Tootsie Roll Drive." Will start on February 28, and February 1, 2009 at St. Stephen's church after each Mass. On February 7, 8, 2009 we will be collection donations at the Mal-Mart on Bloomingdale and Bell Shoals. There will be more information coming out for sing up times. Please take time out to support important event.

Serving Those Who Served

Our efforts are to maintain contact with active, injured, nursing home residents and retired military and their families. The Order is dedicated to visiting and supplying needed items that are not readily available to them.

We visit the Haley Hospital, Nursing Home and Fisher House every other month. Our next visit will be **February 18, 2009** at 10:00 a.m.. We meet in front of the Nursing Home. For further information please contact Herbert Swoope 813-628-0699 or e-mail hswoope@msn.com
